

## THE MONARCHS ARE DYING

We hurry, hurry—

*The monarchs are dying.*

We hurry, hurry—

*The monarchs are dying.*

We hurry, hurry—

to the bar, the grocery,  
the bank, the carwash,  
the cookout, the casino,  
the parade, the party...

*The monarchs are dying.*

*The monarchs are dying.*

Scientists estimate the monarch population in the eastern U.S. has fallen about 80% since the mid-1990s, while the drop-off in the western U.S. has been even steeper.
